# *Bespoke Corsetry*

*The appeal of a corset is timeless.  
Capture the glamour of a bygone era.*

*All our corsets are made from two layers of fabric and then fully lined and finished with hand sewn binding.*

*They are boned using steel spirals making them strong and durable.*

*All of our designs are inspired by original patterns  
and our own collection of antique corsets*

*The pinstripe clincher and matching pencil skirt offer a contemporary twist to tight lacing.*

*For a day at the office or in the boardroom this retro look offers a chic way to incorporate corsets into the modern woman's wardrobe.*

*Blossing in pure silk thread*

*Corsets add glamour to any occasion  
and are perfect for bridal or evening wear.*

*This Victorian corset uses spiral steel boning and rows of cording to give you a beautiful silhouette.*

*This corset uses antique ribbon,  
making it truly unique.*

*Each corset can be individually tailored to your needs, adding embroidery (flossing), suspenders and modesty panels.*
